Exclusive Development of Only Two Modern Homes This boutique new build project consists of just two townhouses in the peaceful town of Bigastro, situated in the Vega Baja area of the Costa Blanca South. Designed with a practical layout across several levels, these homes combine space, comfort and energy efficiency in a well connected residential setting. Bigastro is known for its quiet atmosphere, traditional Spanish character and excellent access to nearby towns, beaches and services. it offers a relaxed lifestyle while being very near to everything needed for daily living, making it ideal for both permanent residence and holiday use. Spacious Layout Across Four Levels Each property is distributed over basement, ground-floor, first-floor and rooftop solarium, providing generous interior and exterior living areas. The 59 m2 basement is designed as a private garage with motorized access door, offering secure parking and additional storage space. On the ground-floor, you will find a bright open-plan living room with kitchen, a guest toilet and two terraces, one at the front and one at the rear, allowing natural light and ventilation throughout the day. The first-floor features three bedrooms and two bathrooms, one of them ensuite, plus an additional terrace. On the top level, a private rooftop solarium of approximately 40m2 provides the perfect space to relax, sunbathe or create an outdoor chill out area. Quality Features and Energy Efficient Systems These homes are built with modern materials and thoughtful details to ensure comfort and efficiency, including: Reinforced security entrance door Aerothermal system for hot water Photovoltaic
