İlan Detayları

İçin mülk:	Satılık
Fiyat:	USD 185,955.11

Konum

Ülke:	Croatia
Eyalet/Bölge/ Şehir:	Istria
Şehir/İlçe:	Svetvincenat
Yayınlandı:	28.02.2026
Açıklama:	Location: Istarska županija, Svetvinčenat, Svetvinčenat.

Building plot in a quiet location

Area: 897 m²

Building permit issued and utility contributions paid

Utilities: water and electricity

The land is located on the edge of the village, in an urbanized part of the settlement, facing southwest, ensuring plenty of natural light throughout the day. Access is via an asphalt road, making it suitable for building a family home or a holiday house.

Conclusion:

This property represents an excellent opportunity for future residence or as an investment for tourist rental. Proximity to beaches, the village center, and all essential amenities makes this property ideal for family living or profitable rental.
