A fully detached villas enjoying beautiful country and sea views situated in one of the island's best loctions.

This property is a family home spread over 3 levels. Each level has a distinct function serving as living sleeping and leisurely spaces respectively.

Purity in form and materiality creates a striking but clean villa both in its exterior and Interior where spaces were created to exploit viewing corridors to the outside allowing for both landscape and sea views. The cascading topographical site the project is built on is also respected as the orientation of the building and terraces compliments its curvature.

Property is being offered in shell form with various finishing options available.

The property is already built and awaiting like a bank canvas to be finished to its respectful design Madliena is Malta's most exclusive address and the location of this property on the top of the hill in a cul de sac makes its position unsurpassable
