### Açıklama:

Situated in the heart of the village of Montjean, this spacious property offers four generously sized bedrooms, a range of outbuildings, and a large rear garden with dual access from both the front courtyard and the end of the garden.

The house is immediately habitable and benefits from oil-fired central heating. However, it would benefit from modernization throughout, including installation of double glazing, an updated sanitation system, and a new kitchen and bathroom making it an ideal project to tailor to your taste.

The substantial barns and outbuildings provide exceptional potential, whether for conversion into a gite, workshop, storage space, or even accommodation for a camping car.

Montjean is an active and welcoming village with a restaurant/bar, primary school, and post office, while the nearby towns of Villefagnan, Ruffec, and Sauze-Vaussais are all within easy driving distance.
