Beautiful plot with great potential for building a detached single-family home, located just 2 km from the center of Hondón de los Frailes, where you can enjoy all services and amenities.

The property has access via a paved road and is situated in a very अच्छी area. The plot is planted with productive almond trees, offering a charming natural setting and spectacular views, especially during the flowering season.

Electricity is already connected, and both water and sewage connections are available along the same road for easy installation.

Hondón de los Frailes is currently in the final stages of approving its General Urban Development Plan. Once approved, it will be possible to apply for a building license at the Town Hall to construct your dream home in a peaceful, natural environment with excellent features.
