Açıklama:

We present this commercial unit designated for retail or services, located on the ground floor of a modern development in Avanca.

With a total area of 44 sqm, this space stands out for its open layout and versatility, making it suitable for a wide range of business activities.

The unit comprises:

A main open-plan area of approximately 37 sqm, ideal for customer service, workspace, or product display

A private bathroom (approx. 5.6 sqm)

Direct ground-floor access, ensuring excellent accessibility and visibility

The property also benefits from a shopfront with good exposure, allowing for natural light and strong commercial visibility.

Located within a new building, this unit is ideal for:

Retail businesses

Service providers (office, clinic, beauty, etc.)

Investment with strong rental potential

Estimated completion: Summer 2027

Key Features:

Strategic location in a growing residential area

Open and flexible layout

Good visibility and natural light

New construction

Suitable for multiple business types or investment

#ref: 159618
