Açıklama:

In this modern residential building, completed in 2021, you'll find an apartment that perfectly combines coastal charm with modern comfort. With approximately 50 square meters of living space, it offers everything you need for a relaxing stay by the sea: a bright living room, a cozy bedroom, a modern bathroom, and a separate storage room with space for a washing machine and dryer. Two balconies ensure you can enjoy the sun and fresh sea air at any time of day.

The building itself boasts an elevator and a spectacular rooftop terrace that leaves little to be desired: panoramic views across the entire bay of Palmanova, a refreshing pool, comfortable loungers, and an outdoor bar – the perfect place to unwind at the end of the day or simply gaze out over the sparkling water.

The location couldn't be better: just across the street, and you're right on the fine sandy beach. Cafés, restaurants, and shops are just steps away – ideal for fully embracing the Mediterranean lifestyle.

Palmanova itself is one of the most popular coastal resorts in southwest Mallorca. Known for its sheltered coves, clear waters, and relaxed atmosphere, it's perfect for those who appreciate proximity to the beach, diverse cuisine, and good transport links. Here you'll find a blend of holiday flair and local charm – a place where you'll feel instantly at home.
