### Açıklama:

Discover a unique investment opportunity in one of the most developed neighborhoods of Ioannina. It is a luxurious maisonette of 184.76 sq.m. with an independent ground floor two-room apartment of 57.74 sq.m., on a corner plot of 393.60 sq.m., which combines the comfort of a permanent residence with the potential for tourist exploitation, offering excellent energy efficiency and modern amenities in a key location.

The main building is spread over two levels with an internal wooden staircase and features:

- First floor (113.92 sq.m.): Open living-dining area with a glass partition separating the living room from the kitchen, and an energy-efficient fireplace for warm winter evenings
- Intermediate half-level: Master bedroom with privacy
- Second floor (70.84 sq.m.): Two additional bedrooms with a bathroom
- Last half-level: Additional bedroom

The ground floor apartment of 57.74 sq.m. is an autonomous two-room unit, ideal for hosting relatives, renting or using as a studio. The auxiliary spaces and storage areas of 56.00 sq.m. and the parking space of 24.95 sq.m. offer additional storage possibilities and comfort.

The residence has modern energy infrastructure: oil condensing boiler (2020) with heating autonomy per apartment, solar water heater and boiler for domestic hot water, external thermal insulation shell of 7 cm (2020) and intermediate thermal insulation of 5 cm from the construction. The aluminum frames with double glazing and the laminate, wood, and marble floors ensure comfort and low energy costs. The outdoor space includes a BBQ/grill on the terrace, ideal for outdoor gatherings.

Penteli and Drosia are neighboring districts at the western extension of Ioannina, at an altitude of 570 meters, with direct connection to the city center via the ring road. The area is served by public transport

(lines 2, 10, 16, 17) with stops nearby, while it is just 1.5 kilometers from the center, 2.5 kilometers from Lake Pamvotida, 3.5 kilometers from the hospital, and 5 kilometers from the airport. Drosia is located 1.2 kilometers from the center and 0.7 kilometers from Perivleptos. The areas are characterized by a residential zone with modern infrastructure, recent urban expansions, and direct access to the suburban forest.
