Semi-detached stone villa with pool – Island of Krk

Located in a peaceful and attractive area of the island of Krk, this charming semi-detached stone villa offers 140 m² of living space. It is a well-constructed property that combines authentic Mediterranean style with modern comfort.

The villa consists of:

a spacious living room connected to the kitchen and dining area

three bedrooms, each with its own bathroom

a large terrace with access to the garden and pool

The outdoor area features a private swimming pool and sunbathing area, perfect for relaxing during the warmer months.

A major advantage of this property is its location – in a quiet setting, yet close to all key amenities: shops, restaurants, and beaches. The island of Krk is accessible by road without a ferry, making it easy to reach year-round.
