Guest house in Čižići, Dobrinj only 350 meters from the sea, with sea views!

Total area is 790 sq.m.

The apart-house is very interesting mainly because of the wellness on the ground floor, which extends over the entire floor.

The house extends over two additional floors with a total of three residential units.

On the ground floor there is a wellness area with an indoor swimming pool, jacuzzi, sauna and bathroom. Spacious and worthy of larger facilities!

On the 1st floor there is a beautiful three-bedroom apartment with a terrace, living room, kitchen and two bathrooms.

On the upper floor there are two more residential units, each with two bedrooms plus salon with kitchen and terraces.

Great property! In front of the villa there is a parking space and a garage!
