Açıklama:

Agricultural land with a total area of 7,790 m² is located in the village of Sveti Anton, near Malinska on the island of Krk. Thanks to its location and characteristics, the land is ideal for growing olives, vineyards, Mediterranean herbs, as well as organic fruits and vegetables, providing excellent conditions for developing your own agricultural activity. In addition to agricultural use, there is also the possibility of using the land as a dry marina for boats, which further increases its potential. The island of Krk is known for its unspoiled nature, crystal-clear sea, and rich gastronomic offer, making this location attractive both for agriculture and as an investment opportunity. For more information or to arrange a viewing, feel free to contact us....
