Açıklama:

Dicmo, building plots 7001m2In a quiet location, surrounded by untouched nature, we are selling several building plots, and individual purchase is possible. The plots have an access road and the infrastructure is nearby. Due to its proximity and good connection with Split, the location is ideal for living and tourism, because there is an increasing trend of renting luxury villas around Split that serve as a base for exploring both Zagora and the coast. If you want to enjoy nature, peace and quiet, this is the ideal location. Very good road connection, and the proximity of the highway junction in Dugopolje, allows quick access to many tourist interesting destinations: Split 22km, the old Salona 18km, Krka waterfalls 90km
