Açıklama:

Dugi otok, Soline, we are selling a building plot of 5.000m2, 90m from the sea and with an open sea view.

The land is located under the road and as it is located on a gentle slope, it is ideal for the construction of several villas or apartment buildings.

It is located approx. 500m from the famous sandy beach Sakarun, which is 300m long, and is specific for its whiteness of sand and the purity of the sea.

The beach is surrounded by a pine forest that provides pleasant shade in the summer.
