Açıklama:

Split, Town, house in a row, 3 floors, approx. 75 m2

A unique property , house in a row, in the heart of Diocletian's Palace, with a beautiful view of the bell tower of Saint Duje.

On the ground floor there are stairs leading to the 1st floor. Internal stairs lead to the second floor and the attic floor.

The internal living area is approximately 75 m2.

The house was not used for storage, it was used for business purposes.

A small modification (by closing the central part of the floor and installing kitchen elements) will result to have a house with a kitchen, living room and two bedrooms (one on each floor).

Fantastic view of the city center, unique and rare location!

The inner wall of the house is the original and visible wall of DIOCLETIJAN'S palace!

Unique and rare location!

Possible exchange of one part for business premises in the area of Split or Podstrana.
