Açıklama:

Korcula, 4.5km from Vela Luka, building land in the 1st row of 1962m2 surrounded by olive groves and dense pine forest, ideal for a quiet vacation, a few minutes drive from Vela Luka with all necessary facilities. Currently, there is no necessary infrastructure nearby, and as in most of these remote bays, this is addressed by solar panels and water tanks. According to the budget plan of the Municipality of Vela Luka, the construction of the substation is planned for next year. The price of this plot is € 500,000. There are two more plots for sale above, which are located above and formed one whole. The plot of 476m2 is located in the second row from the sea, for sale at a price of 100 000 €. Plot of 476m2 in the third row from the sea, for sale at a price of 100 000 €. The upper two plots have access from the upper side, and the plot in the first row from the lower. To a potential buyer for the purchase of any land, the seller offers a free conceptual design in the process of obtaining a building permit in his architectural office. www.biliskov.com ID: 11181-1
