Açıklama:

Rogoznica, agricultural land of 10,003m2, approximately 5km from the sea and 500m from the village. The plot is accessed by an asphalt road, and the last 50m is a good macadam road. The entire plot is enclosed by a dry stone wall, and the road runs alongside the plot. The entire plot is cleared, leveled, of regular shape and ready for cultivation. The proximity of the village, good access and water supply to the plot make this plot extremely interesting.
