A completely renovated stone house in the vicinity of the town of Krk is for sale.

A semi-detached house of approx. 80 m2 extends over the ground floor and first floor. At the entrance there is a terrace where there is a barbecue and a space for socializing. On the ground floor of the house there is a spacious living room and kitchen, bathroom and laundry room. There are two bedrooms and a bathroom on the first floor. Stairs lead to a large roof terrace of approx. 20 m2 with a jacuzzi and a space for socializing with a sea view.

During the decoration, a lot of attention was paid to the details, so the parts of the old stone house fit perfectly into the special design and unique, handmade furniture, which makes this property a creative oasis ideal for rest and relaxation.
