Açıklama:	Location: Zadarska županija, Sukošan, Sukošan.

Two building plots in Sukošan ideal for modern family homes

The plots are located in Sukošan, one of the most desirable places to live south of Zadar. The location is quiet, sunny and suitable for year-round living, in a well-maintained residential environment with family homes.

Sukošan is known for its quality of life, proximity to the sea and excellent transport connections to Zadar.

LAND DESCRIPTION

Two building plots are for sale, located next to each other, with the option of purchasing individually or together:

Plot 1: 476 m²

Plot 2: 469 m²

The plots are flat, regular in shape and suitable for the construction of modern family homes with a garden, swimming pool and parking spaces.

The surrounding development allows for a clear and safe assessment of future construction.

INFRASTRUCTURE

The center of Sukošan is just a few minutes away

Marina Dalmacija, the largest marina in Croatia, is nearby

IMLIX

IMLIX Gayrimenkul Pazarı
