### Açıklama:

Located in the Castello sestiere, a short walk from San Francesco della Vigna and in Campo Santa Giustina, this distinctive detached small building offers a rare opportunity to experience the most authentic Venice, away from tourist flows yet in the heart of the historic center. Arranged over two levels and set within a context of only two units, the property retains typical Venetian charm with exposed beams, marble floors, and bright rooms thanks to large windows." data-next-head="" />
