### Açıklama:

Land totalling 24,397m2 including 12,561m2 of Olive trees and a 3 bedroom Cortijo with a large outbuilding to modernise, situated in Villalobos close to the historical city of Alcala la Real, in the south of Jaen province in Andalusia, Spain. With direct road access to the countryside property and extensive grounds, you enter the main cortijo into a good size storage room then a sitting room with an open fireplace. A doorway takes you out into a patio area off which is a lounge with a formal dining space. Also off the patio is a kitchen area, a pantry / Storage room and a ground floor double bedroom. Steps from the kitchen area take you to the first floor landing where you have on the right a storage room and a bedroom. To the left off the landing a small passageway leads to a spacious double bedroom. Back in the ground floor patio a doorway leads to another kitchen and a further door takes you into a fully tiled bathroom. To the rear and side of the Cortijo you have a large outbuilding with a spacious garage as well as a big storage room with a wood store. The Cortijo has town water and electricity connected and you also have a natural stream running through your extensive grounds. This property is all about the generous land and what can be done to develop it along with the Cortijo.
