Açıklama:	Piraeus   House with Privacy, Parking & Future Potential

This is not just another house in Piraeus.  
It's one of those properties that quietly checks all the right boxes.

Located in Chatzikyriakio, in a real, well-connected neighborhood, this elevated ground-floor residence offers something rare for the area — privacy, functionality, and future upside.

Fully renovated in 2014 under civil engineer supervision, the home is ready to live in, without hidden issues or uncertainty.

Everything is simple and practical.

Single-level layout.  
Bright interior.  
Autonomous electric heating and air conditioning for year-round comfort.

And then — a detail that changes the feeling of the property:

An internal courtyard.

A private outdoor space, inside the city, that gives you breathing room in everyday life.

The property continues to make sense the more you look at it.

Closed underground parking — a major advantage in Piraeus.  
Rooftop with real potential — for use today or future expansion.

With a building factor of 3 and remaining buildable capacity, this is not just a home — it's an asset.

The location completes the decision.

Everything is within reach — transport, schools, port.  
Freattyda and the sea are close, adding quality to daily life without sacrificing convenience.

This is the kind of property you don't need to overanalyze.

It works as a home.  
It works as an investment.  
It works long-term.

And properties that combine privacy, parking, and future potential... don't stay available for long.
