Açıklama:

Exceptional investment opportunity in Quarteira.

Land with 1,500 m² of total area, inserted in one of the most dynamic and valued areas of the Algarve, where real estate demand remains high throughout the year.

The plot benefits from an approved architectural project for the construction of a housing development consisting of 46 apartments, allowing immediate progress to the development of a contemporary project with high profitability potential.

Its strategic location ensures proximity to beaches, golf courses, shops, services and main access roads, meeting all the conditions to attract both permanent residents and the tourist market.

This is the ideal scenario for developers looking for a safe investment, with strong potential for appreciation and return.

A project ready to take shape in one of the most sought-after locations in the Algarve.

Don't miss this opportunity!
