Charming Cottage with Stunning Views - Renovation Opportunity

This delightful cottage is ideally located on the edge of the village, offering fantastic views right from the front door. The property has been partially updated but would benefit from further renovation, making it an excellent opportunity to create a lovely home.

On the ground floor, the space has been tiled on one side with new floors throughout , this includes a newly fitted kitchen positioned in one corner, with a living area set to the opposite side.

The first floor comprises a bedroom and a shower room. Continuing upstairs, there is an additional tiled landing area leading to a second bedroom and a second bathroom. The terrace is accessed via this upper level, passing through the bathroom, covered terrace, which can be opened up to enjoy the impressive surrounding views.

there is also a small patio of the middle floor. This is accessed via the 1st bedroom..

As shown in the photos, the cottage does require some repair work and full redecoration throughout, but it offers great potential in a desirable location.
