ZADAR, POLIČNIK - House with swimming pool in Roh-Bau.

In the peaceful surroundings of Poličnik, at the perfect distance between untouched nature and the bustling rhythm of Zadar, is located this impressive new building that redefines the concept of spaciousness. Built in 2024, this modern house of 275 m² is currently in the roh-bau phase, giving you a unique opportunity to adjust the finishing details, materials and aesthetics exclusively to your own taste.

The interior is designed with an emphasis on supreme comfort and privacy. The ground floor is the heart of the house, dominated by a spacious "open-space" living room and kitchen, perfect for family gatherings. There is also a luxurious master bedroom with its own bathroom, which allows for the luxury of living on one floor.

The upper floor is reserved for maximum intimacy: four spacious bedrooms, each with its own bathroom, make this property ideal for a large family or a high-quality tourist rental.

A private oasis for relaxation

On a plot of 1,022 m², the 8 × 4 m (32 m²) swimming pool takes center stage, along with a covered summer kitchen with barbecue — ideal for evenings under the stars, gatherings and family memories. The spacious garden offers complete privacy, space for a playground, additional parking or a Mediterranean garden.

By purchasing in the unfinished phase, you have control over the choice of finishing materials and the possibility of completely personalizing the interior.
