Açıklama:

Presented in excellent order throughout this Edwardian, Southfields Grid mid terraced house is superbly located for the wealth of amenities that Southfields has to offer.

With accommodation over three floors comprising double reception room, well fitted kitchen and utility room on the ground floor and three double bedrooms with two bathrooms - one en suite- on the upper floors.

The well balanced accommodation is complimented by rear garden of approximately 35' and is being sold with no onward chain.
