Açıklama:

Puerto Aventuras is an exclusive residential location just 15 minutes from Playa del Carmen in the state of Quintana Roo. This makes it a cozy part of the Riviera Maya which has some of the most beautiful beaches in Mexico and is one of the absolute most visited tourist destinations in the world.

Located in one of the loveliest beach zones in the entire Caribbean the Riviera Maya is without a doubt the best

option for relaxing and admiring the natural beauty of its crystal clear seas. Puerto Aventuras delivers the perfect

mix of a cold drink on any warm summer night and a delicious hot coffee on a crisp Winter morning all while

gazing at the turquoise waters of Mexico's Caribbean coastline.

The sea is an ancient language that I still don't learn to decipher
