Açıklama:
3,560 m² plot in Válega — where space is no longer a constraint but an advantage.

Just a few minutes from Ovar, an opportunity has arisen with features that are increasingly rare: ample space, full sun exposure and a location that strikes a balance between tranquillity and accessibility.

3,560 m² total area

Sun exposure to the north, south, east and west

A peaceful setting with good accessibility

Close to shops, amenities, beaches and major roads, including the N109 and access to the A29

Here, you are not constrained by standard solutions.

There is scope to design, enhance and create something truly unique — whether for your own home or as an investment.

More than just a plot of land, a solid foundation for smart decisions.
