### Açıklama:

This land, on the iconic Ponta da Piedade in Lagos, is a unique opportunity to acquire one of the last remaining parcels of clifftop land in the Algarve. The large property has two existing ruins, which can be reconstructed into one main 3 bedroom residence comprising of 244 m2 of construction area, as well as a 1 bedroom guest residence totalling 74 m2 of construction.

There are approved projects available, or a future owner could submit his own plans for construction.

Due to the sensitive nature of the land and surrounding cliffs and nature, construction of a swimming pool is not possible.
