Situated just a few steps from the beach, near the charming village of Cancelada and ideally positioned halfway between Marbella and Estepona, lies this stunning five-bedroom detached villa. The property enjoys beautiful gardens offering complete privacy, set on a flat and fully usable plot with a variety of fruit trees. There is a large covered terrace and an outdoor kitchen beside the swimming pool, making it ideal for entertaining. You enter the home through an impressive entrance hall, which leads into the bright living and dining area, with direct access out to the garden and pool. There is also a generous kitchen, which could easily be opened up to create an open-plan layout with the main living space, together with three bedroom suites on this level. On the upper floor are two exceptionally large bedroom suites, which could easily be reconfigured to create further well-proportioned bedrooms if required. The property also benefits from an expansive garage with room for several vehicles, together with a substantial storage area above. Several restaurants, bars, and a mini-market are just a two-minute walk away, while direct access to the beach promenade is right on your doorstep.
