### Açıklama:

Spectacular rustic plot of more than 10.000m2, this plot is located very close to Calpe.

The plot is just a few km. By car from the spectacular sandy beaches and all the services that this charming town has to offer.

From the plot you can see the Mediterranean Sea and the rock of Ifach, in this plot you can build a house of more than 200m2, all this following the rules that apply for the construction of a house in this type of land, all this thinking of being able to live in a privileged area close to all services, but in a land where the only thing you hear is the singing of the birds.

Do not hesitate to contact our sales representatives who will inform you and help you in the development of a project of this quality.
