Açıklama:	

An old property with interesting construction possibilities as it is split over two different levels (with separate access from two cobbled streets), creating a number of possibilities for the design of it's future recuperation.

According to the alignment of the neighboring buildings it will be possible to build two floors and given the level difference, also a garage.

Due its location, it has commercial, leisure and cultural activities close by and a relaxed lifestyle on the doorstep in a very quiet rural village. - REF: 1009-2276
