Açıklama:

This charming cottage for renovation is set in a peaceful countryside location in the heart of the East Algarve, just a short drive from the coastal towns of Olhão and Fuseta.

Accessed by a quiet rural track, the property offers privacy, natural surroundings, and easy access to both the coast and local amenities.

Situated on a generous 2-acre plot, the cottage enjoys a central position with a south-facing orientation, allowing for excellent natural light throughout the day. The land is mostly flat, planted with native trees, with a gentle rise at the rear of the house that adds character and views across the landscape.

The existing cottage has a traditional stone structure and offers approximately 75m² of floor area, providing an excellent renovation opportunity of equal size.. There is potential to create a beautiful country home that blends traditional Algarve farmhouse charm with modern comfort. Subject to planning approval, there may also be the possibility to add a swimming pool.

Mains electricity and water are located nearby, making development straightforward. Although the property feels private and secluded, there are neighbouring homes in the area, creating a welcoming international countryside community without compromising peace and privacy.
