Discover a rare opportunity to acquire seven plots of land in the desirable area of Abanilla, totaling 366.454m² of rural land — perfect for a variety of future projects or development visions. Included on one of the plots is a 330 m² traditional farmhouse, that pre-dates the 1900s, offering the potential for restoration, renovation, or conversion (subject to local planning consultation). There are also two service sheds on the land, providing additional functional space. The land features gently rolling hills and enjoys exceptional panoramic views of the surrounding countryside — an idyllic setting for rural living, retreats, or private estates. This holding is ideal for buyers looking for large plots of land with development potential in a peaceful yet accessible location. The expansive terrain provides a fantastic canvas for agricultural projects, or simply creating your own country estate. Situated in the heart of the Murcia countryside, Abanilla offers a tranquil rural lifestyle combined with convenient access to local amenities, traditional Spanish culture, and natural landscapes. The area provides easy connections to neighbouring towns, major road networks, and is a comfortable drive from coastal attractions and beaches of the Costa Cálida.
