Açıklama:

Nestled in a peaceful countryside setting just a stone's throw from the picturesque village of Paderne, this property offers the perfect blend of rural tranquility and everyday convenience. The property consists of a habitable, single-storey main villa and a small separate annex, all set upon a generous plot of land. While the property is perfectly liveable today, it would benefit from renovation, offering a blank canvas for those looking to modernise, update, or completely customize their space.

The main villa features a cozy, single-storey layout with one bedroom, one bathroom a kitchen diner and lounge. Adding versatility is the independent annex, which provides an excellent bonus space.

Beyond the walls, the expansive plot of land opens up endless outdoor possibilities, whether you dream of lush Mediterranean landscaping, agricultural pursuits, or creating a sprawling outdoor oasis. For those looking to maximize their investment, the property holds the potential to be enlarged.

The location is practical as the house is connected to mains water and easy to reach via a tarmac access road. Best of all, the home is framed by stunning, uninhibited views of the rolling hills, allowing you to fully immerse yourself in the peace and quiet of the Algarve countryside. - REF: 1001-2417
