Two Buildings in Mouzinho da Silveira with an Approved Development Plan for 1,004 m².

This property offers significant potential for appreciation and boasts a unique location on one of the main thoroughfares in Porto's historic centre, between São Bento Station and Ribeira, an area designated as a UNESCO World Heritage Site.

Built in the typical Porto style, it comprises two buildings.

One of the buildings is currently operated as a short-stay accommodation, comprising seven high-quality units with a customer rating of 9, and includes commercial space.

The rear building has potential for co-working offices with a separate entrance.

An architectural project has been approved for an extension to 1,004 m² for the complete conversion of the two properties into a 17-room boutique hotel, enabling the provision of a high-quality service and experience, along with a rooftop terrace offering unique views of the city centre's distinctive urban landscape.

The renovation project envisages a restaurant with a patio and garden, offering a unique experience of tranquillity in the city centre.
