This fully refurbished 4 bedroom traditional villa is located in Vilamoura and offers a luxury living experience with its swimming pool and private garden on a plot of 640m²

The kitchen is fully equipped with quality appliances and features an island for added functionality. The open space living room has direct access to the terrace and the pool. In addition, it has a fireplace and an uneven area that can serve as a second, more private room for the family or as a dining room.

On the ground floor, there is 1 en-suite bedroom with dressing room and 1 guest bathroom. On the first floor, we find 3 bedrooms sharing a common bathroom. Two of these bedrooms have access to a large walled terrace with plenty of privacy.

The basement has natural light and serves as a garage for 1 car, in addition to having a wine cellar, a space currently used as an office and a storage room.

The well-kept garden has automatic irrigation. Access to the property is quite spacious, allowing for parking of several cars outside.

The house is equipped with air conditioning in all rooms.
