Açıklama:

Land with a total area of 10,648 m², located in the picturesque parish of Cinco Ribeiras, in an area recognized for its tranquility, natural beauty and truly unique views.

The property offers great versatility and several possibilities of use. It is possible to build up to 50 meters from the axis of the road, which represents an excellent opportunity for those who want to develop a housing project, create their holiday home or make an investment in a privileged location.

One of the great highlights of this property is its stunning view over the Atlantic Ocean and the islands of São Jorge and Pico, providing a setting of rare beauty and an environment of absolute tranquility. The rural surroundings, combined with the proximity to the sea and the characteristic charm of the Cinco Ribeiras, make this land the ideal place for those looking for quality of life, privacy and contact with nature.

With a generous area and enormous potential, this property allows you to reconcile the dream of building in a serene environment with the privilege of waking up every day with an inspiring landscape. Whether for own housing, holiday getaway or investment, this is a unique opportunity in one of the most charming areas of Terceira island.
