Açıklama:

Discover this pleasant property located in the heart of the village of Lavit-de-Lomagne, close to shops, local craftsmen, the medical centre, the pharmacy and the Friday market.

The property consists of two independent dwellings: a 110m² T4 spread over two levels and a 68m² T2 on the ground floor. Both apartments are fully equipped and comfortably habitable.

Several projects can be considered: full or partial rental investment, a main residence with one unit rented out, or combining the two spaces to create a large family home. Creating a garage is also possible.

You will also benefit from a 29m² terrace, an 8m² external storeroom and 93m² of convertible attic space.

Renovated in 2015, the property features wood fibre insulation, wooden joinery and heating mainly provided by pellet systems.

Virtual tour available.
