With ceilings of approximately 4 metres, large windows and a well-planned layout, the apartment feels spacious, open and elegant from the moment you enter.

The property has been finished to a high standard and presents itself in a fresh, contemporary condition. The living area is extremely bright and inviting, creating an ideal space for both relaxing and entertaining. The modern kitchen is sleek, functional and beautifully integrated, offering a stylish setting for everyday living. The bathroom is also very well designed, with a clean, modern appearance and practical layout.

The apartment is located in a fully renovated residential building that has been comprehensively modernised in recent years. An additional private storage room outside the apartment provides valuable extra space.

The location in Berlin-Steglitz offers an excellent balance of urban convenience and residential comfort. Nearby shopping facilities, cafes, restaurants, supermarkets and everyday services are easily accessible, including the well-known Steglitz shopping area with its wide selection of shops and retail centres. Public transport connections are very convenient, with S-Bahn, U-Bahn and bus options close by, providing fast access to the city centre and surrounding districts.

Green spaces such as Stadtpark Steglitz and the Botanical Garden are within easy reach and offer attractive opportunities for walking, jogging and relaxation. This makes the apartment ideal for buyers looking for a bright, modern home in a well-connected and highly desirable Berlin neighbourhood.

Located in the south part of the city, Steglitz is a family, residential and lively district. Although located slightly on the outskirts, Steglitz is relatively well connected, and allows to reach both airports and the central station in less than an hour. Ideal for shopping, Steglitz is home to several very modern shopping malls. The street Schlosstrasse is particularly lively, lined with shopping and pedestrian streets. As far as culture is concerned, Steglitz is not to be outdone in particular thanks to the Haus am Waldsee, international venue for contemporary art. It is also a neighborhood with interesting architecture, mixing art deco buildings, bourgeois buildings and original contemporary constructions. Situated near famous Berlin lakes such as Wannsee and Schachtensee, Steglitz is the ideal area for lovers of space and nature.
