The property is divided into three units: The main house, which has been fully rebuilt and modernised, offers two bedrooms, two bathrooms, and an openplan fitted kitchen leading into the living area. The interior benefits from abundant natural light and has been designed to provide maximum comfort. It also includes a staircase leading to a rooftop with a pleasant view.

The annex is a spacious area in its original condition which, once renovated, could be used to extend the living space, accommodate guests, or be converted for rental income.

The garage, the third unit, may also be refurbished according the needs.

The rear plot is flat, private, generous in size, and features regional trees, offering excellent potential to become a fantastic garden.

The location is highly convenient, featuring tarmac access and easy proximity to public transport. Additionally, the train station is located only 1 km away. The property is located 4 km from Loulé city and 6 km from the beaches of Quarteira Vilamoura, making it the ideal option for those seeking countryside tranquillity while still enjoying close proximity to all urban amenities and leisure activities. - REF: 1009-2418
