Açıklama:

Located at about 2.5 miles northwest of the San Pedro Town and accessible only by boat, this Belize Island property sits on a peninsula in the lagoon at the center of the big island. This position gives it additional protection in times of storms and its seclusion offers serenity with all the action that the island offers just a short boat ride away.

An adjacent one acre parcel is also for sale and can be packaged for someone needing a two acre plot in good location on the island.

Off grid Belize island lifestyle.
