This exclusive set of 7 plots offers fantastic and unobstructed views, making it ideal for developers looking for high profitability in one of the most desired destinations in the Algarve. Located on the busy and strategic Avenida da Fonte Coberta, the location provides quick access to the historic center and the beaches of Lagos. The elevated position of the land guarantees a unique and highly attractive panoramic view for the end consumer. These plots are perfect for contemporary apartment blocks with typologies T1, T2 and T3. The construction capacity adapts perfectly to the size of each lot, maximizing the financial return. The linear projects were designed for the construction of 9, 12 or 15 apartments per block, depending on the area of the lot. The space is designed for the creation of an exclusive swimming pool and common leisure areas. The infrastructure is fully planned to include private parking for all residents.
