There are places where the car simply becomes optional. This charming village house is located on a peaceful street in Hondón de los Frailes and includes its own private parking space on a small plot directly opposite the property. From here, everything is within a five-minute walk: supermarkets, bakery, pharmacy, medical centre, cafés and restaurants. The surrounding countryside and walking trails also begin just a few steps from your front door.

The house is arranged over two floors and retains the authentic character of traditional Spanish village homes, with generous indoor and outdoor spaces designed for everyday living.

The ground floor welcomes you with an entrance hall, leading to one bedroom, a dining room with air conditioning, a kitchen, a bathroom with shower, and a charming courtyard with a traditional water cistern, preserving part of the home's original character.

To the rear of the property lies one of its most inviting spaces: a second living and dining room with a wood-burning fireplace and a traditional wood-fired oven, perfect for gathering with family and friends throughout the year. This area opens onto a second courtyard, where a second bathroom is also located.

Upstairs, the house offers three bedrooms, one of them with its own balcony overlooking the peaceful
