Açıklama:

Discover a charming bakery house that has been built over 200 years ago. Spanning more than 100 square meters this building features beautiful high ceilings wide arches and original wooden beams that add to its unique character. It is located in a busy area making it perfect for a good flow of customers. The space can be transformed into various types of businesses such as a clinic child care center confectionery shop grocery store or even offices. The bakery house comes fully equipped with essential items like a wood oven chillers mixers and shelving so you can start your business right away. It is highly recommended to visit and see the incredible potential this property offers. With its rich history and versatile layout this bakery house could be the perfect location for your next venture. Don't miss out on this fantastic opportunity
