This inviting village house has been tastefully renovated and is filled with light, space and a wonderfully warm atmosphere. With two sunny terraces and a furnished balcony, it offers generous areas for socialising, relaxing and enjoying outdoor living. The terraces are accessed directly from the open kitchen and living room, creating a natural flow between indoors and outdoors.

On street level, you'll find a large garage currently used as a gym, as well as a cave. There is also space for a washing machine - practical and convenient.

One floor up, you are welcomed by a beautiful kitchen/living room with large windows that let in abundant natural light and provide access to both the balcony and the terraces.

On the next level, there is a spacious bedroom and an elegant bathroom. At the very top of the house, another bedroom awaits, along with a suite parentale where you can enjoy a shower with sweeping views over the village and surrounding landscape.

The charm of the house is preserved through lovely details such as the characterful staircase and built-in wardrobes with original doors.
