This new 49 storey developemnt is planned for completion at the end of 2014. The studio offers a nice beach view so you can enjoy the sunset every day. The room is 54M2 and has a very unique layout where the bedroom can be joint with the living room or separated into 2 rooms. The Condo is 50 meters away from quiet and beautiful Jomtien Beach. It just takes 15 minutes, though, to enjoy the nightlife at the famous Walking Street in Pattaya. It offers the best of both worlds: relaxation as well as entertainment within minutes' reach. The high rise development will feature all the amenities that can be expected from a modern condo: sports, fitness and a beautiful lobby worthy of a 5 star hotel.
