Açıklama:	Two Parking Spaces Jardins de São Lourenço Avenidas Novas

Two parking spaces available for rent together, located within the prestigious Jardins de São Lourenço development on Rua Soeiro Pereira Gomes, in the heart of Lisbon's Avenidas Novas district.

Situated in a private section of the garage, these two side-by-side parking spaces are enclosed by walls on three sides, a rare configuration that offers many of the advantages of a private garage box.

This layout provides a high level of privacy, significantly reduces the risk of minor damage caused by manoeuvring vehicles or opening car doors, and ensures a more convenient and secure parking experience.

Located within a condominium with 24-hour security, these parking spaces offer peace of mind, protection, and everyday convenience.

Thanks to their prime location in Avenidas Novas and their distinctive configuration, these parking spaces are an excellent solution for local residents, professionals working in the area, owners of high-value, larger or collector vehicles, as well as students attending the nearby universities and higher education institutions who are looking for a secure long-term parking solution.
