In the heart of Peniche, you will find this fully renovated 127 m² commercial property, offering excellent natural light and a flexible layout that can be adapted to a wide range of business activities.

Located on the ground floor, the property benefits from a particularly interesting feature: it connects two different streets, providing greater flexibility in terms of access and use.

The interior comprises a spacious main room, three separate offices/rooms, an archive/storage room, and two bathrooms, making it ideal for a professional office, clinic, service business, beauty or wellness centre, training company, showroom, or another commercial concept.

The property has been fully renovated, including the plumbing, drainage system, electrical installation, windows, and doors, allowing the new owner to start operating without the need for significant structural work.

It also benefits from pre-installation for an intruder alarm system, fire detection, and CCTV, an important added advantage for any professional activity.
