Located just a three-minute walk from Avenida da Liberdade, this spacious three-bedroom apartment combines generous proportions, contemporary comfort and an exceptionally central Lisbon location.

Situated on the second floor of an intimate five-unit building with lift access, the apartment has three bedrooms, each with its own en-suite bathroom. A guest bathroom is located off the entrance hall, which also provides ample built-in storage.

The kitchen is fully equipped with Bosch appliances and opens onto generous living spaces characterised by high ceilings and excellent natural light. Double-glazed windows provide effective sound insulation, while heating and air conditioning throughout the apartment, ensure year-round comfort. Each bedroom also benefits from built-in wardrobes.

The property is available fully furnished and ready for immediate occupation.

Two dedicated parking spaces are included, a particularly valuable feature in this part of central Lisbon.

The apartment also holds an active Alojamento Local (AL) licence and is currently operated as a short-

term rental, with a nightly rate of approximately 300. This offers the flexibility of using the property as a private residence, a Lisbon base or an income-generating investment.

With Avenida da Liberdade, Príncipe Real and some of Lisbons best restaurants, shops and cultural destinations within easy reach, the apartment offers a rare combination of space, privacy, parking and central location.
