For sale: Development land with a location permit in Blato.

According to the current project, the development includes 14 residential units (with the possibility of conversion to 16 units) and 23 parking spaces, with a total gross building area of approximately 1,600 m2.

Over the past few years, Blato has emerged as one of Zagreb's most sought-after locations for new residential developments thanks to its excellent connectivity, proximity to Arena Center, and pleasant residential surroundings.
